Stormy with a Chance of Solutions  
Tackling climate & water challenges

2-5 December 2025  
Kirikiroa | Hamilton

## SPONSORSHIP PROPOSAL

# INVITATION

Kia ora koutou | Hello everyone

On behalf of the organising committee, we would like to invite you to join us for this year's Meteorological Society of New Zealand / New Zealand Hydrological Society Joint Conference in Kirikiriroa Hamilton.

The conference theme is "Stormy with a Chance of Solutions: tackling climate & water challenges". It captures the idea that the challenges posed by climate change and water management are more pressing than ever, and it is through collaboration and shared knowledge that we can hope to find sustainable solutions.

This conference is not just about addressing the problems we face but also about celebrating the progress we have made and the potential for future breakthroughs. Together, we can turn the tide on climate and water challenges, ensuring a resilient and sustainable future for all.

The technical programme will be complemented by social events, providing excellent networking opportunities. The conference will be capped off with fascinating field trips around the Waikato region on the last day.

This proposal outlines various levels of involvement to suit every budget and marketing objective, we encourage you to explore the benefits of participating as a sponsor and/ or exhibitor.

If there are other ways in which you would like to participate, the Conference Managers would be happy to discuss these with you, all offers of support are welcome. We look forward to seeing you in Hamilton.

Ngā mihi nui | Kind regards,

**Nicki Wilson** - NZHS/Waikato RC and **Nicolas Cullen** - MSNZ/University of Otago
